Membership in Kappa Eta, limited to six each year, is determined by a point system which includes all phases of student life. Excellence in scholarship, offices held in classes or clubs, work in choir or band, letters earned in athletics, enable a student to accumulate points.

ETA

At midterm these points are totaled by a faculty committee and the six outstanding members of the graduating class are determined. These seniors are recognized at graduation by the presentation of gold keys furnished by the Beta club.

For fifteen years Miss Mary Burton has given of herself to the students and faculty of Gallatin High School. She gave us her time, her energy, her patience, and her understanding. More importantly, she brought warmth and concern to every situation in which she was involved — and these were legion. It is difficult to conceive of the Green Wave without her. We are indeed blessed that she passed our way.

Godspeed, Miss Mary

A FACULTY TRIBUTE TO THE SENIOR CLASS

Seniors —

Twelve long years . . .
What once seemed an eternity to you
Is now only the twinkling of an eye.
For some, a time of happiness and joy
For others . . . the years of heartbreak
and toil are finally over.

Life must go on . . . Time will not stop,
Not even for such an important milestone.
We who are to be left behind rejoice
at your victory,
But sorrow in the parting of such dear
friends.

A tear, a sigh, the closing of a door,
The sound of footsteps fading down
the dusty hallway of life.
Seniors —
You will choose what to remember about us.
Be kind . . .
For we in years to come will remember
the best about you.
You have fought a good fight; you have finished
the race; you have kept faith.
We must now release you to a much harder
task-master . . . Life.
You have our blessings and our good
wishes.
Good-bye and good luck, seniors.
